

THE OUTREACH

LIBRARY NEWSLETTER

The decision to incept CCH was intended with a thought to provide A-Class Hospitality Education to the students looking for a career in hospitality. With the teaching patterns employed at CCH & HMCT we blended different styles of pedagogy to provide a holistic curriculum of different programs. To ensure that, the most talented and experienced professors were put forth to deliver an education of superior quality. This led to eminent recruiters like J.W. Marriott, Oberoi, The Ritz- Carlton, Hyatt Regency, etc to source talent from the Institute.

Hospitality being a vast industry subsumes various verticals and we endeavor to ensure students get acquainted with each one of them with the best of abilities. The management and staff have a common objective of making students achieve the dreams and aspirations they have come with to this Institution. I Congratulate Library Staff for this New Endeavour "The Outreach" Library Newsletter.
